Lockers are optional. (Locker dimensions = 11" deep x 9" wide).

- Students who want a locker can request it from their Advisory/Homeroom teacher.
- Most shelving items do not fit properly in the lockers and are discouraged as they can cause locker jams. Large backpacks or bags with wheels, as well as zippered binders, will not fit in the lockers.
- Each locker has 1-2 metal hooks and a metal shelf at the top.
- For safety, locker mirrors (if used) must be non-breakable.
- Magnets are encouraged (rather than tape) for securing items.

*Families who need assistance with school supplies or free/reduced lunch for their child may contact their child's school counselor for confidential support.

We look forward to seeing you in August 😊
