

Scheduling Information

- All 6th graders will have the following classes:
 - Math – 60 minutes daily
 - Language Arts – 60 minutes daily
 - Science – 60 minutes daily
 - Social Studies – 60 minutes daily
- PE & Music – alternating every other day (45 minutes per class). Music selection sheets have been sent home via the elementary school.
- Exploratory Arts – one quarter each of Art, Technology Education, Family & Consumer Science. Student will select their 4th quarter option after school begins.
- Signet students will have one rotation of Signet during the Exploratory Arts rotation.
- For any questions regarding whether your student has been placed in regular or extended Math or Language

Arts for next year, please contact your student's current teacher at the elementary school.

- For any other scheduling questions or to provide us with important information about your child, please contact:
