- 1. Bring the laptop to a PWCS High School or Middle School (they have enhanced Wi-Fi). For the specific Wi-Fi area at each school, visit <u>https://www.pwcs.edu/departments/information_technology</u>
- 2. Power on the system and press Control, Alt and Delete to get to the login screen.
- 3. Student will log in using his or her PWCS Microsoft Office 365 username and password. The same one used for Canvas/Clever/Office 365 but WITHOUT the @pwcs-edu.org. A new profile will be created on the device for the student and PWCS policies will be updated. *Please note this will take 10-15 minutes to complete so please wait and do not leave once you are logged in.*
- 4. Completing this process will allow the student to use their PWCS Office365 login and password (not generic) at home.
- 5. Please note that after the update, the previously saved shortcuts and bookmarks/favorites will not be saved and need to be added again.
